For the exhibition « In the eye of the climate » :
The most important thing is to visit **the penguins space** and **the immersive room**.

Journey on the High Seas exhibition

The numbers in **blue** are part of the adapted itinerary. Bypass or go rapidly through the dark blue numbers.

- | | | |
|------------------------------|-------------------------------------|--|
| 1 Powerful Ocean | 6 Travellers of the Open Sea | 11 From the Abyss to the open sea |
| 2 The living Ocean | 7 The great Fault | 12 The great Ocean show |
| 3 The sharks kingdom | 8 Under the Ocean | 13 The high Seas forum |
| 4 Diving in High Seas | 9 The underwater cave | 14 Back to the surface |
| 5 Ocean at night | 10 Journey into the Abyss | 15 Birth and life of a big tank |

For the exhibition « Journey on the High Seas », the most important thing is to linger over **the large window bay** to admire **the spectacle of the ocean**.

However, to access it you have **to walk through the entire exhibition**.

You can also access directly to the big tank using the stairs (on your right, before the escalator).
