

Feel your heart beat for the ocean!

Groups, works councils,
local authorities and tourism professionals

aquarium | exhibitions | activities | workshops

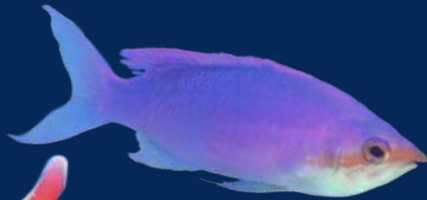

Organise and enjoy a unique experience in Europe's largest aquarium.

Who are we?

Located in Boulogne-sur-Mer, capital at the heart of the French Opal Coast, Nausicaá is a unique place where young and old alike can marvel at the beauty of the marine world, learn all about environmental issues and, above all, learn to love and protect the oceans.

As a group, set sail for a moment of total immersion in the depths of the ocean to discover its unique marine biodiversity! Experience the sheer beauty and immensity of the ocean through 3 immersive, educational and fun tours, and discover just how essential it is to preserve it for the future of Mankind.

By coming to Nausicaá as a group, you can be sure that your visitors will enjoy a unique experience. A dedicated service, made-to-measure solutions and memories to share, are all yours to enjoy!

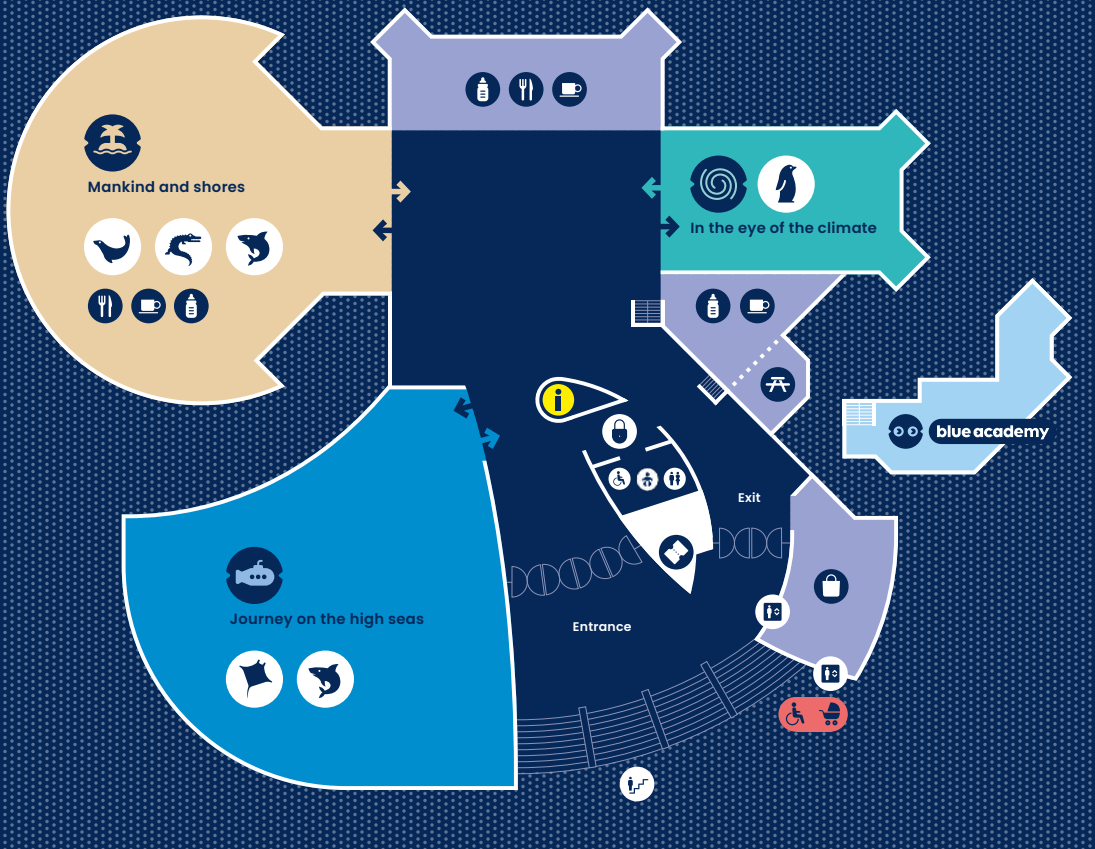

Ten good reasons to visit Nausicaá as a group

- Second most visited tourist site north of Paris.
- Close to the sea: Nausicaá is on the Opal Coast on the seaside.
- Open all year round, seven days a week.
- Accessible whatever the weather: Nausicaá is a covered space.
- A dedicated booking service to help you optimise your visit and stay on the Opal Coast.
- Special group rates.
- Several routes so you can visit at your own pace as the fancy takes you:
 - visit on your own, taking about 3 hours,
 - Ninety-minute guided tour to enrich your visit and not miss out on anything (booking required, with extra charge),
 - audioguided tours, available in four languages (booking required, with extra charge).
- An offer enriched with various catering options.
- Even faster access to the Centre: Nausicaá admission tickets sent before your visit in pdf format or by mail (on request).
- Easy admission: A drop-off point and a dedicated queue-cutting desk to optimise your time

Journey on the High Seas

Mankind and shores tour

In the eye of the climate

Marvel at the great Ocean show...

Journey on the High Seas

Live an unforgettable experience around the largest aquarium in Europe that reproduces Malpelo Island off the coast of Colombia. Admire the spectacle of the Ocean and set out to meet breathtaking species such as grey sharks, the manta ray, sparkling shoals of fish and much more besides! Discover all the beauty and immensity of the Ocean and see the extent to which its preservation is essential for the future of Mankind...

A great 7m-high fault

An 18m-long tunnel

A giant viewing panel, 5m high and 20m long

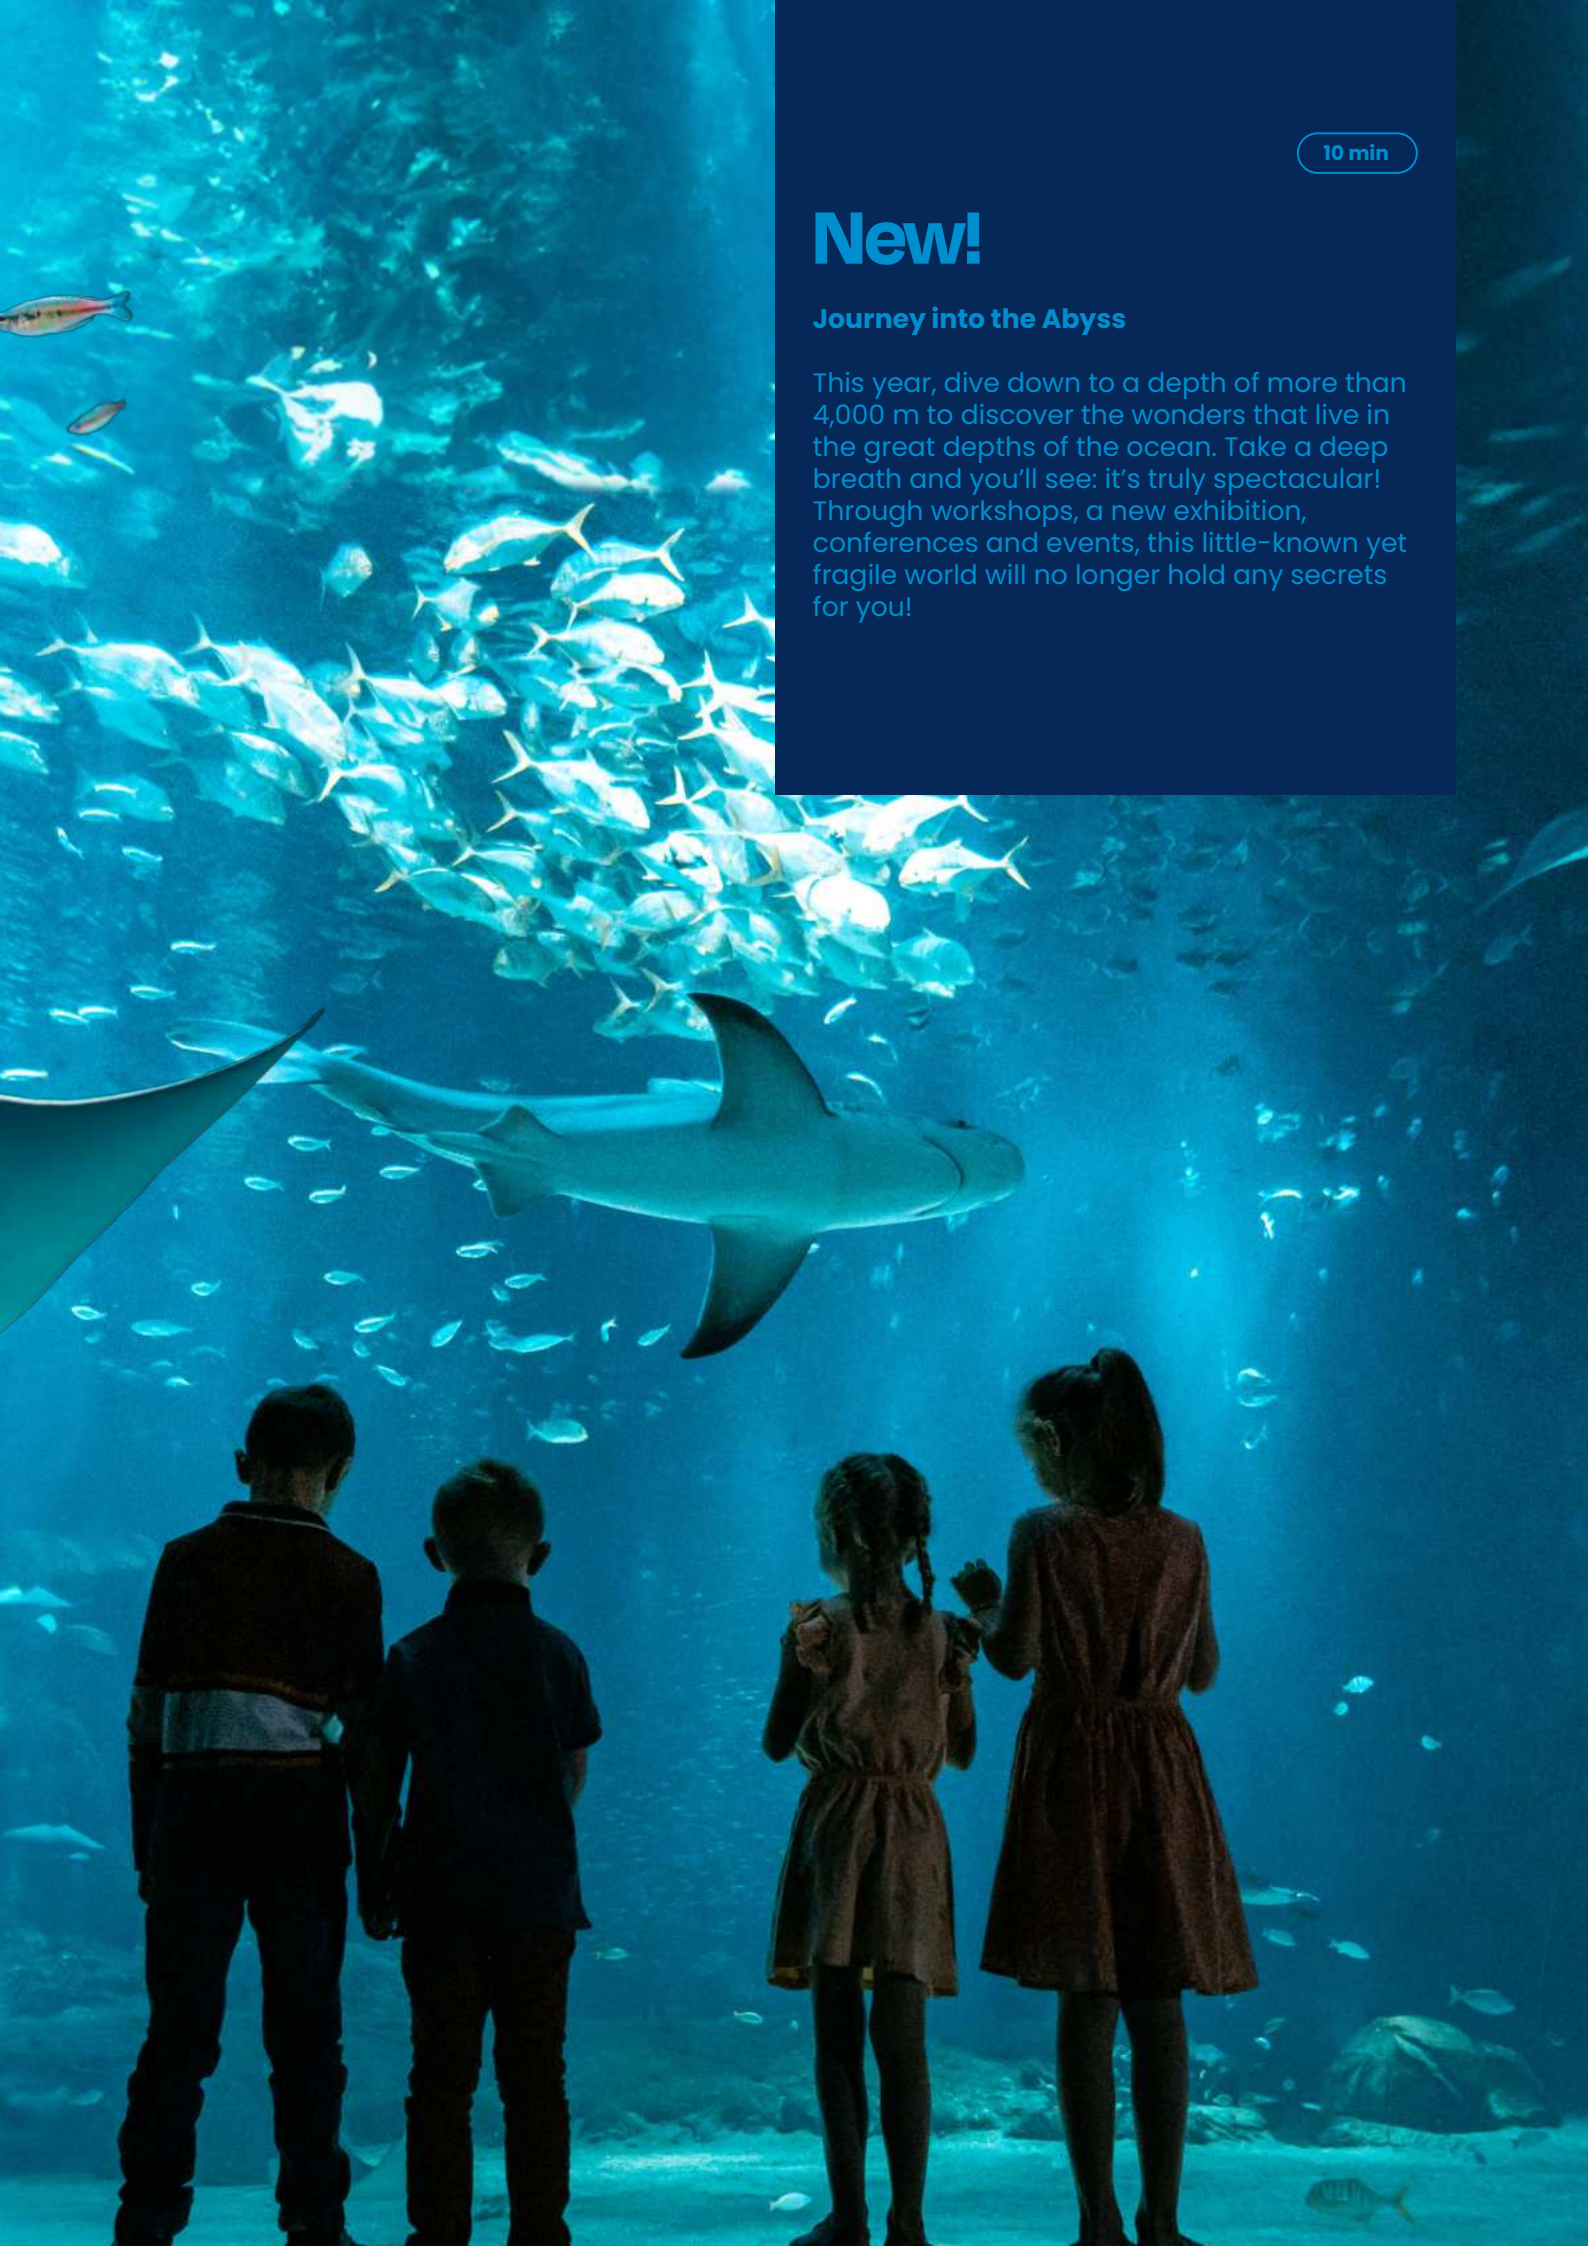

10 min

New!

Journey into the Abyss

This year, dive down to a depth of more than 4,000 m to discover the wonders that live in the great depths of the ocean. Take a deep breath and you'll see: it's truly spectacular! Through workshops, a new exhibition, conferences and events, this little-known yet fragile world will no longer hold any secrets for you!

Dive into an immersive experience in the heart of the climate machine and discover your power: the power to act!

In the eye of the climate

Hurricanes, melting ice-caps, rising sea levels...

Prepare to go on a spectacular voyage through the heart of the effects of global warming that will take you on a journey of discovery to meet our colony of African penguins and their immersive 430 sq.m exhibition space with floor-to-ceiling screens.

As you leave this immersive exhibition, see the solutions that exist for preserving the environment and living in a more ecological way!

An immersive room with 430 m² of screens

A colony of twenty or so African penguins

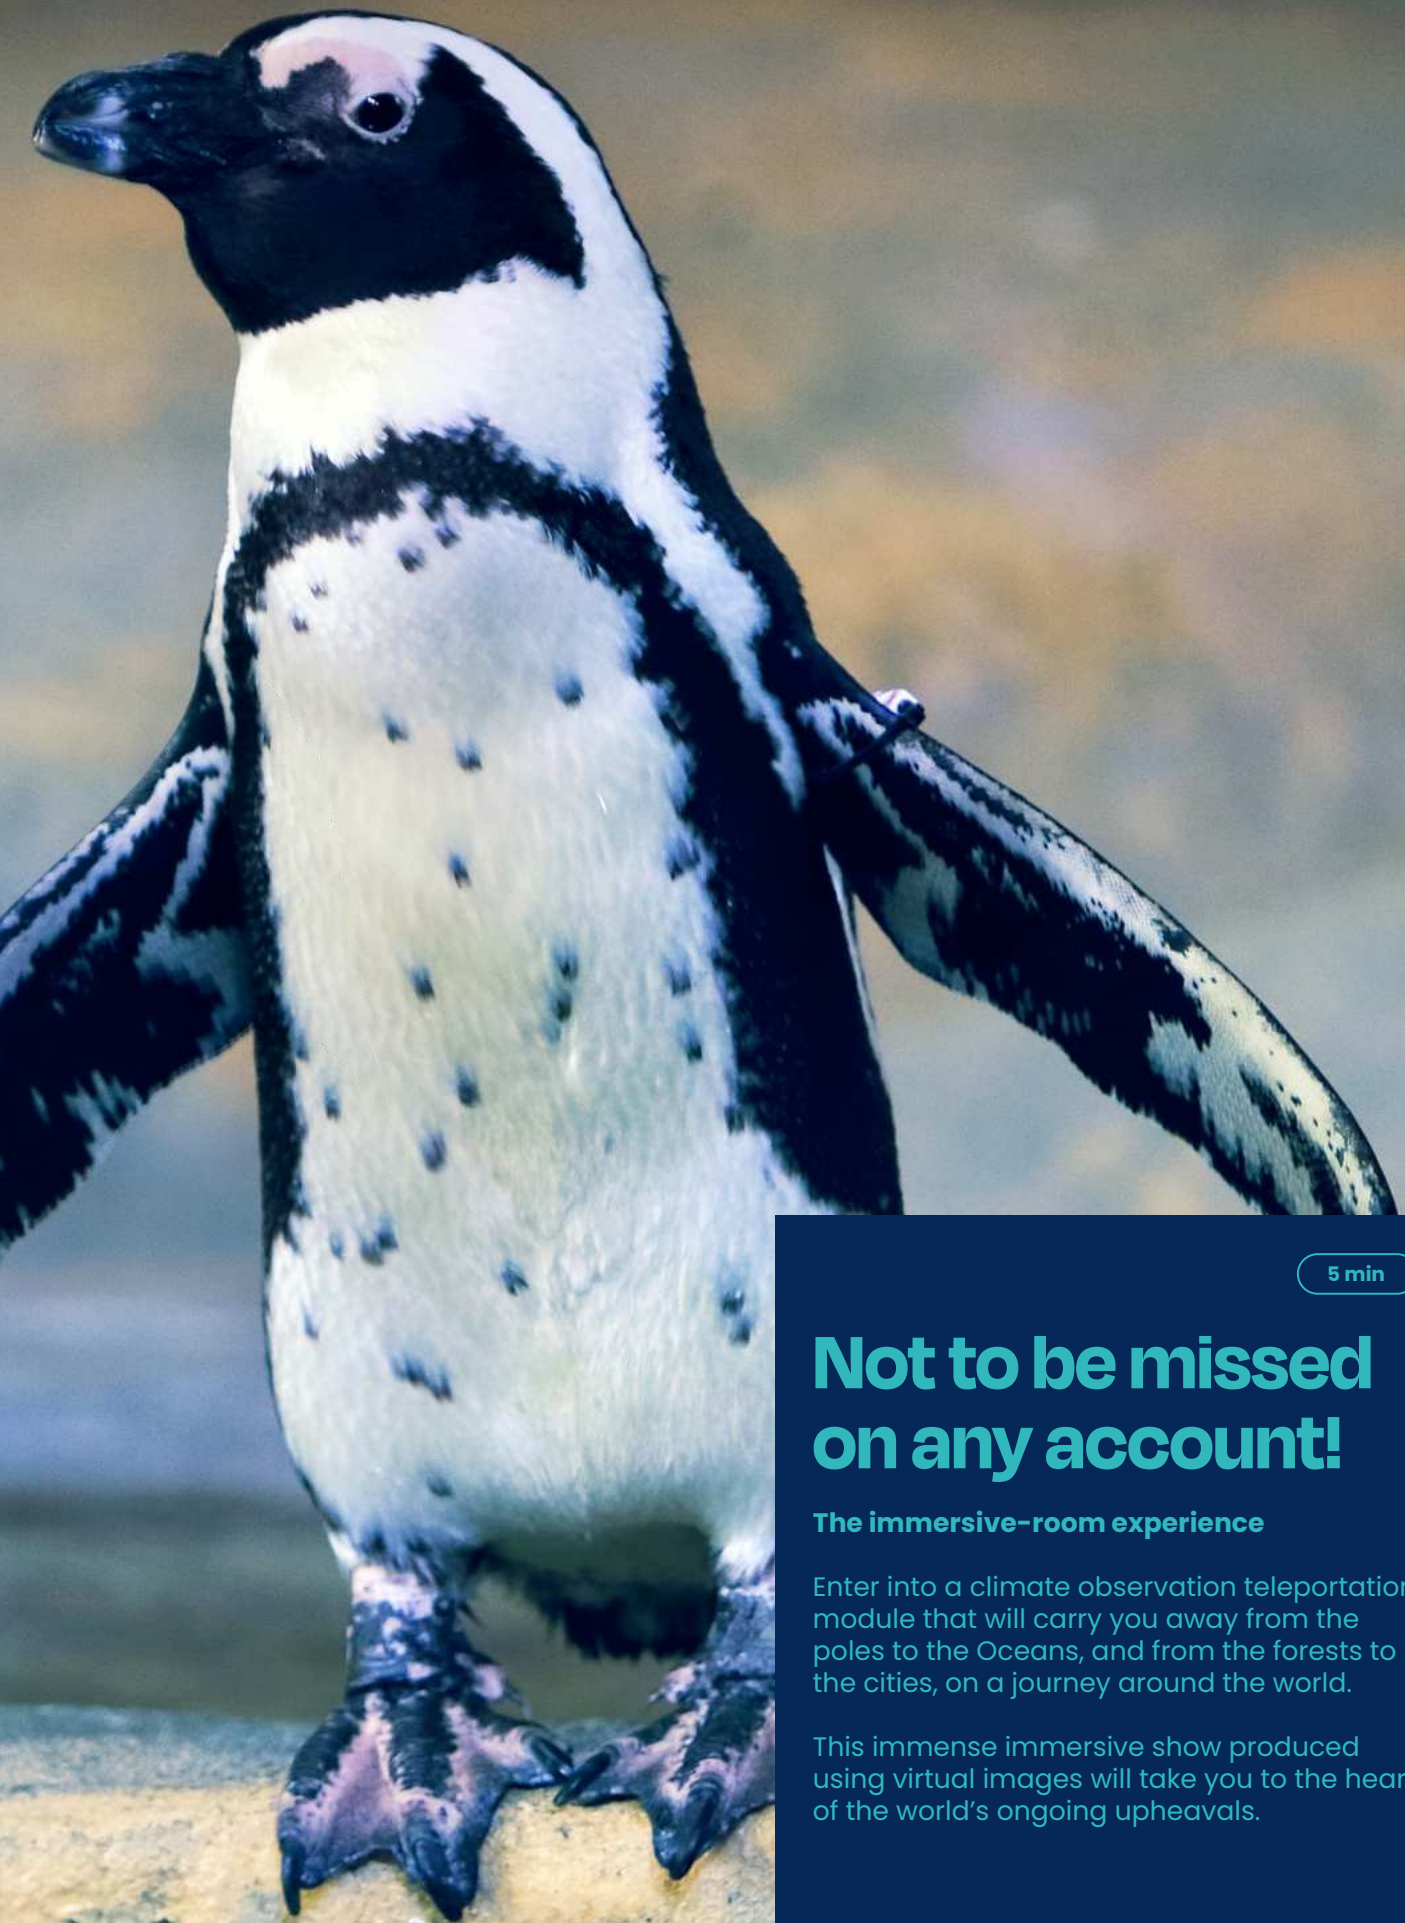

A typical house in 2050

Six species of jellyfish you can observe

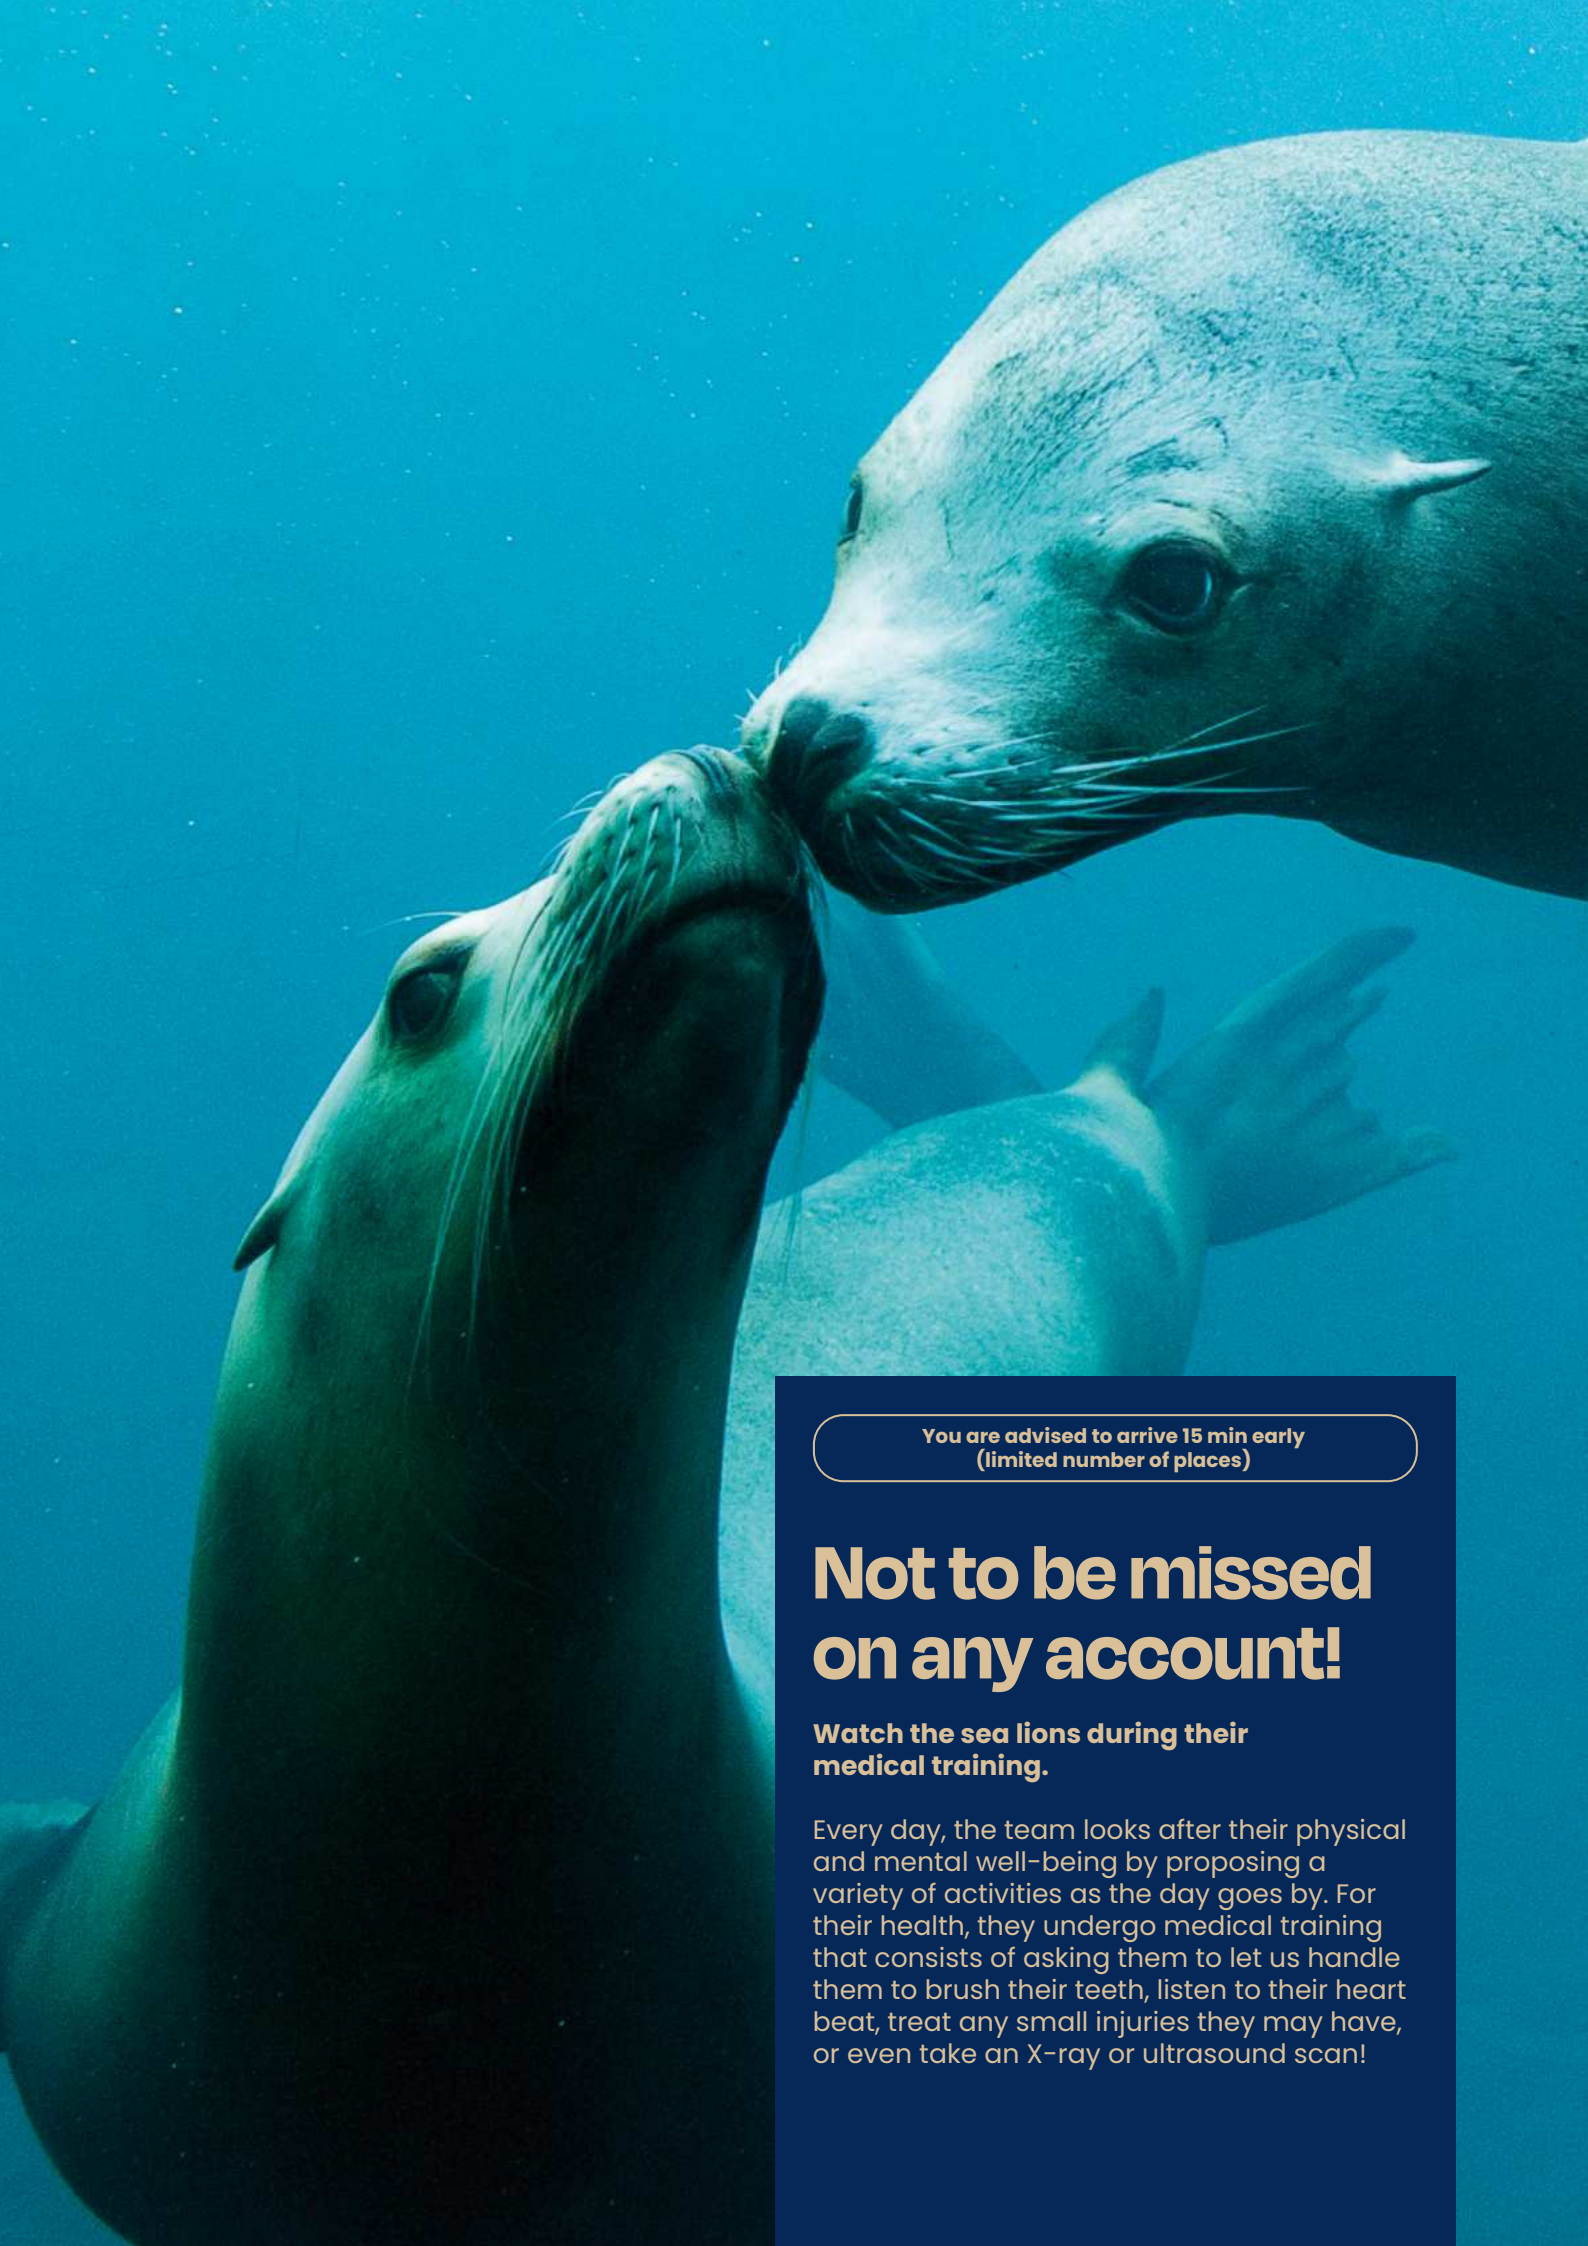

5 min

Not to be missed on any account!

The immersive-room experience

Enter into a climate observation teleportation module that will carry you away from the poles to the Oceans, and from the forests to the cities, on a journey around the world.

This immense immersive show produced using virtual images will take you to the heart of the world's ongoing upheavals.

You are advised to arrive 15 min early
(limited number of places)

Not to be missed on any account!

**Watch the sea lions during their
medical training.**

Every day, the team looks after their physical and mental well-being by proposing a variety of activities as the day goes by. For their health, they undergo medical training that consists of asking them to let us handle them to brush their teeth, listen to their heart beat, treat any small injuries they may have, or even take an X-ray or ultrasound scan!

All aboard for your first tour of the world's seas!

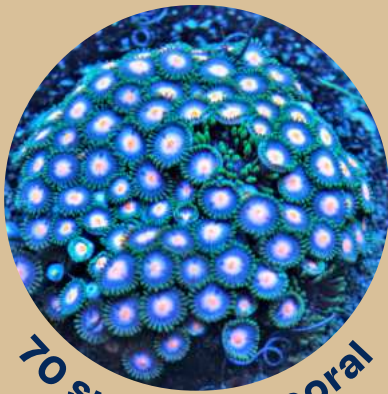

Mankind and Shores tour

Embark on your first world tour going from the North Sea, to the Mediterranean, the Tropics, the Californian coast... This journey will help you understand how Mankind and the Oceans cohabit and create their future together...

You will see a unique biodiversity there, distant ecosystems, not to mention the many services rendered by the sea to Mankind.

Consult the programme to organise your day:

Extend your stay on the French Opal Coast

Make the most of your group visit to Nausicaá to explore the charm of the Boulogne region and the breathtaking scenery of the French Opal Coast! Nausicaá can suggest several all-in tours created in collaboration with our partners:

Mankind and the Sea tour *(5-day tour)*

A five-day itinerary to discover the link between Mankind and the Sea. From the Saint-Omer marshlands to the Somme Bay, taking in Le Touquet and the great Deux Caps site, not to mention the port of Boulogne-sur-Mer. This link is made clear to everyone at Nausicaá, the National Sea Centre, which will make an unforgettable memory of this dive into the heart of the Oceans!

Visit to the three major ports in the Nord region

(3-day tour)

Make a stopover on the French Opal Coast to explore 3 port towns steeped in maritime heritage and character. From Boulogne-sur-Mer - France's No. 1 fishing port - to the port of Calais, passing through the historic town of Dunkirk, this three-day tour offers a veritable immersion into the fishermen's world! Enrich your stay with a self-guided tour of Nausicaá, the largest aquarium in Europe for a voyage through the Oceans.

Explore the port *(1-day tour)*

An eye-opening visit combining the useful and the agreeable. In addition to a guided tour of Nausicaá, set out to explore France's No. 1 port. You can do this tour on foot if you want.

See our various one-day excursions:

**Just 1h30 from
Lille, 2h from
Brussels and
2h30 from Paris
and London,
Nausicaá lies
right at the heart
of Europe!**

Lille

Set out to explore the capital of the Hauts-de-France region and its emblematic sites such as the Beaux-Arts museum, the Grand Place, the Old Town and the Citadelle...

Brussels

The capital of Belgium will never fail to astound you thanks, in particular to its heritage and nightlife!

Ghent

Both unusual and romantic, Ghent is one of the most-visited towns in Belgium!

Bruges

Hop on a boat to visit Bruges, a picturesque little town brimming with charm, nicknamed the "Venice of the North" thanks to its canals!

London

Just 2h30 from Nausicaá, immerse yourself in the heart of London's cultural life without further ado!

Opening times

The National Sea Centre is open every day from 9.30am to 6.30pm.

How to book?
